

# VENDOR INFORMATION

Upon acceptance you will be sent an exhibitor package containing all the information you need to have a great experience at the Dickens Faire!

SET UP: Oct 14th 9AM-9PM

TAKE DOWN: Oct. 17th 6PM-10PM

The Coliseum will have help available... More on that in your packet.

ELECTRICITY: The first 500 watts is \$35 after that it's a sliding scale. You will be sent information how to apply for that. You may add Electric the day of set up.

BOOTHS: 10' X 10' Bare space. You may bring your own set up or rent pipe and drape, tables, chairs, carpeting etc. from our event decorator. All in your packet.

COSTUMES: We are working with several local Theatrical Rental Shops to provide inexpensive Costuming for exhibitors. We are strongly urging all the vendors to have some type of period dress. It can be as simple or as elaborate as you please! Check back in a few weeks and we'll have great samples and ideas for you on line to rent, buy or make yourself!

FOOD: We will be sending forms for the individual food vendors with all applicable information from Denver Public Health and the Coliseum's Catering Service . All food will be run through their organization and a small % of all food sales will be required to give to them (Amount yet to be determined) in addition to the booth fee. Which is why we are charging less for the food booths in the Cafe area. I don't think packaged food and sampling apply, but will have more information on that later.

YOUR INPUT: Please email us with any ideas or requests you may have to make this Faire more FUN, PROFITABLE and EASY! For you. We really want to have this be a growing event based on all of our ideas and input. I personally feel it's all of us together that make a successful event! We will be posting new Ideas as we get them.

MORE LATER / PLEASE CHECK BACK

Thanks  
Notso Tiny Tim
